

Thank You and Merry Christmas

To Our Valued Customers,

Merry Christmas and Happy New Year to you and yours! As we pause during this time of the year and take time to celebrate with loved ones and friends, we at Waynes wanted to say **Thank You**. Thank You for trusting us to partner with you in protecting and maintaining your home or business. We know that without that trust and your business we would not be able to provide our Team Members with the awesome careers they have here at Waynes.

We have a saying here at Waynes, "**You Matter**." This means **you**, our customer, Matters. It means **we**, as teammates, Matter. Lastly, it means **we all Matter** because we are all valuable. We look forward to continuing to serve you in the new year. We also look forward to meeting new customers and beginning to serve them as well. Enjoy this Season and time to celebrate, reflect, and plan.

Thanks again for your trust in us and **Make It a Great Day!**

Shawn Hollis

President
